noticing how the world today is sinking into darkness as it did many times before through its history seeing how the muslims are working hard against the message that allah sent how christian created their own preaching and faith how the jews worked all of their lives against the lord and the men that the lord sent mohammad fawzi saw the need to do something and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs he will also deal with the darkness of the atheists in a world full with darkness and evil done against the lord the need for those who have the truth is increasing not the false truth some claim to have but the genuine truth that is supported with solid proofs and convincing evidence it is time for those who can do something to step up
